Subject: Approval of Notice of Intention to Commence Large Mining Operations (NOI) and Reclamation Surety, Geneva Rock Products, Inc, Corinne Quarry, M/003/00082, Box Elder County, Utah

Dear Mr. Edwards:

The Division has received the reclamation surety for the Corinne Quarry and two copies of the NOI. The Division hereby approves your NOI and permits you to begin mining operations as outlined in your large mining notice. The permitted disturbed area is 144 acres.

Approval of a notice of intention does not relieve an operator from his responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations.

Enclosed are copies of the signed and executed Reclamation Contract and surety bond forms for your files. The surety will be reviewed periodically to assure that the bond remains adequate. Also enclosed is a copy of the "approved" Notice of Intention to Commence Large Mining Operations for your files. Please keep your plan current by submitting changes using Form MR-REV-att, which is located on the web at [www.ogm.utah.gov](http://www.ogm.utah.gov).

All future correspondence regarding this operation should reference M/003/0082. Thank you for your help and patience in finalizing this permitting action. Please call me if you have any questions in this regard.

Sincerely,

Dana Dean, P. E.  
Associate Director of Mining
